Our promises

We will always make sure that Mobile Complete meets your needs.

If you need to protect your device then we have the product for you.

If you do chose to sign up, this leaflet will help you understand what you are and aren't covered for.

Our sale colleagues will also run through the main benefits and exclusions – remember though all the detail is in the terms and conditions.

With our policy, as with all others types of insurance, you will need to pay an excess.

If you need to make a claim. An excess is the first portion of the claim that you pay yourself – we cover the rest. In addition we will make sure you fully understand how to make a claim.

After you have taken the policy we will always ask you to check that the details you have entered are correct.

By double checking details we can catch issues that might happen further down the line.

Finally, once you have signed up to Mobile Complete and you have your new shiny device, remember you will be walking out with your policy documentation.

Our Experts will always make sure you get these, we advise you to keep them in a safe place.
